Welcome to Devil's Bowl Speedway! The Ladies racing division is a new addition at Devil's Bowl Speedway in 2017 and has been developed as a way for inexperienced women age 16 and up to enjoy stock car racing and motorsports competition in a low-pressure environment.

Think of this as a "rookie" class in which to gain some racing experience. We encourage women to compete in the regular weekly divisions once they feel comfortable enough to do so – remember that at least five different women have beaten "the boys" to win championships at Devil's Bowl Speedway!

All competitors are required to read and understand the "2017 General Rules & Regulations" rulebook. For all technical rules, please consult the "2017 Mini Stock Division" rulebook. For all other questions, please contact Mike Bruno at (802) 236-9141 or Justin St. Louis at (802) 355-3282.

2017 LADIES DIVISION SCHEDULE:

- | | |
|--------------------------|---------------|
| 1. Saturday, June 3 | Asphalt Track |
| 2. Sunday, June 11 | Dirt Track |
| 3. Saturday, June 24 | Asphalt Track |
| 4. Saturday, July 8 | Asphalt Track |
| 5. Saturday, July 29 | Asphalt Track |
| 6. Sunday, August 13 | Dirt Track |
| 7. Saturday, August 19 | Asphalt Track |
| 8. Saturday, September 9 | Asphalt Track |

RULES:

1. Safety is and always will be the main priority. Cars must be built correctly and will be carefully inspected.
2. Drivers must utilize proper safety equipment. Drivers will be required to use racing helmets and fireproof suits. Neck braces or head-and-neck restraint systems, fireproof gloves, and fireproof shoes are highly recommended. No open-toe shoes allowed. All items must fit well and be in good condition.
3. Drivers must wear earbuds connected to a one-way radio communication device in contact with the race director while in the racecar at all times. (*RACEceiver recommended.*)
4. Please enjoy this division for what it is – an affordable family activity at the HOBBY level. We're at Devil's Bowl, not Daytona – please keep that in mind.
5. Drivers with experience in more than three (3) races in a regular weekly racing division will not be permitted to compete. (Prior experience in Enduros, spectator races, "Powder Puff" races, mechanic races, or similar races does not apply to this rule.)
6. Races will be run like all other divisions in terms of procedures and rules, with the following exceptions:
 - a. Lineups will be determined by random draw.
 - b. Previous winners will be handicapped to a starting position at the rear.
 - c. No championship points will be kept.
