DATE: May 31, 2017
DIVISION: Late Model - Asphalt Track
RE.: 2017 Tires
SUBJ.: Purchase Schedule & Rules

The following items shall define the 2017 Asphalt Track Late Model division tire rules and procedures. Please contact Mike Bruno at (802) 236-9141 with questions.

1. TIRE PURCHASE SCHEDULE (MAXIMUM 14 TIRES FOR SEASON)

<u>Race Dates</u>	<u>Race Distances</u>	<u>Tire Purchase</u>
Saturday, June 3	50 Laps	6 New Tires
Saturday, June 24	50 Laps	0 Tires
Saturday, July 22	50 Laps	4 New Tires
Saturday, Aug. 12	50 Laps	0 Tires
Saturday, Aug. 26	Twin 25s	4 New Tires

(Separate Features, Not Segments)

2. TIRE PROCEDURES

- a. Tires will not be impounded.
- b. A durometer will be used to check tire hardness.
- c. Teams will be required to bring clean, unmounted rims at time of tire purchases.

3. TIRE INVENTORY

- a. Each team is required to register a minimum of six tires and a maximum of eight tires into its starting inventory. Same inventory must be used at events with a "no tire buy" schedule.
- b. All new tires must be registered into inventory at the time of purchase. All new tires must be used in practice, qualifying, and the feature race on the date of purchase.
- c. Teams that miss a "tire buy" event and then compete at a "no tire buy" event will be permitted to purchase ONLY two (2) new tires and will be required to use them in practice, qualifying, and the feature race on the date of purchase.
- d. As a cost-saving measure for race teams, some used tires may be approved for use in the starting inventory. Teams wishing to start their inventory with used tires must contact Mike Bruno at (802) 236-9141 PRIOR TO COMPETITION.
